

# Send money from the US with no fees

How to open your Broxel Pay account in the United States.

Follow this link from your smartphone:  
<https://broxel.com/register>

1

## Register your email, phone, and password

We'll send verification codes to the email address and cellphone number of your choice.

2

## Pick a card

You can choose your favorite design.

3

## Identify yourself

We'll ask for a photo of your ID, a selfie, and some information.

Valid ID: IFE/INE , driver's licence , passport , and consular ID card .

4

## Enter your address

Tell us where we should send your card; it will arrive in approximately 15 business days.

5

## Download the Broxel Pay App

When your account is ready, we will send a confirmation email and you will be able to enter the app with your registration user and password.

Do this step after receiving your card.

6

## Now you have a Broxel Pay account!

Get ready to...

- Send money to Mexico with no fees
- Go shopping online or in-store
- Pay for your utilities
